OIL SANDS INFORMATION BULLETIN 2015-09

Subject: Oil Sands Royalty Business Training November 2015

This Information Bulletin is to inform oil sands operators of the royalty business training sessions that will be offered by the Oil Sands Division at:

Location: AMEC Place
801-6th Avenue S.W.
Room 315
Calgary, Alberta

Date: November 16-18, 2015

The Oil Sands Division is committed to helping operators understand the oil sands royalty regulatory rules and reporting processes and aims to provide these sessions twice a year, based on demand. We strongly encourage operators who are unfamiliar with the oil sands royalty regulatory reporting to attend these sessions.

[Attachment 1](#) outlines the session topics, dates, and times. These sessions are similar to the ones that were held in February 2015. Seating is limited to 28 at each session. An operator may register for more than one seat but we reserve the right to decline additional attendees from the same company, if necessary, so that all interested operators can attend.

Operators may sign up for *any* or *all* of the sessions. Based on feedback received from the last training sessions, we recommend that operators register for the entire 3-day suite of training as the training materials often extend from one topic to the next and an understanding of the preceding topics will be beneficial and will minimize repeats of prior discussions.

To reserve your seats, please contact Katrina Ferrera at Katrina.Ferrera@gov.ab.ca by **October 30, 2015**. Please include your company name, the attendees' names, and the business topics or *All Topics* that you would like to register for in the email and indicate "Oil Sands Royalty Business Training Nov 2015" in the subject line. Registration will be confirmed via email. Registrants who have been declined seating to the November sessions will be given first priority at the Spring/Summer sessions in 2016.
