OIL SANDS INFORMATION BULLETIN 2010-08

**SUBJECT: Cost Analysis & Reporting Enhancements (CARE) Reporting –
Implementation Follow-up**

As a follow up to the implementation of CARE, Oil Sands Strategy and Operations will be conducting an industry forum. The objectives of this forum are:

1. To obtain industry feedback on:
 - the CARE reporting cycle;
 - specific form reporting and glossary definitions; and,
 - method of reporting through Electronic Transfer System (ETS).
2. To provide industry with feedback on the information received in the CARE forms and to identify areas that require further clarification, clearer definition or streamlining.

The industry forum will be offered on:

Date: October 21, 2010
Place: Canadian Association of Petroleum Producers
Suite # 2100
350 – 7th Avenue S.W.
Calgary, AB
Time: 9:30 am to 12:00 pm

Seating is limited. Please e-mail: AnneMarie.McNab@gov.ab.ca by October 8, 2010 to register for this session.

Subsequent to the discussion and feedback collection, Oil Sands Strategy and Operations will respond to industry's suggestions and comment in an Information Bulletin or in an additional forum.

Questions may be directed to:
