## **OIL SANDS INFORMATION BULLETIN 2011-11**

### **Subject: Registration for Royalty Template Review and OASIS Discussion Forum**

As mentioned to Oil Sands operators that attended the OASIS Development General Information Session held on October 13, 2011, Alberta Energy will be conducting further sessions during November 2011. All sessions will be held at AMEC Place, 801-6<sup>th</sup> Ave S.W., Room 315, Calgary, Alberta. These sessions will cover:

1. **Oil Sands Royalty (OSR) Template Review** – Some minor revisions have been made to the royalty templates as identified in Oil Sands [Information Bulletin 2011-03](#). These sessions are to review those changes and related royalty calculations. The revised templates will be available at the sessions and are to be used for royalty reporting beginning with the January, 2012 reporting month.

The OSR Template Review sessions will be held on:

Session Time A: November 15, 2011 Tuesday 10:00 am to Noon  
Session Time B: November 15, 2011 Tuesday 1:15 pm to 3:15 pm

Note: As both session times review the same information, please register for only one of the times.

2. **OASIS Discussion Forum** – This forum will provide the opportunity for operators to seek clarification on system processes and system enhancement opportunities such as the implemented automation in Phase 1 (Project Application and Infrastructure), or the new development work being planned for Phase 2 (Royalty Reporting and Calculation). Forum topics will be communicated to participants by e-mail prior to the session. Subsequent forums will be held based on need.

This OASIS Discussion Forum will be held on:

November 17, 2011 Thursday 10:00 am to Noon

Operators are encouraged to attend these sessions but must register to ensure sufficient seating. Please register by e-mail to [Michelle.Criss@gov.ab.ca](mailto:Michelle.Criss@gov.ab.ca) before November 4, 2011 and indicate what session(s) and time for which you want to register.
