OIL SANDS INFORMATION BULLETIN 2011-14

Subject: Registration for OASIS Discussion Forum #2

The OASIS Discussion Forums ([Information Bulletin 2011-11](#)) provide an opportunity for operators to receive clarification on the implemented automation in OASIS and to learn about the new automation that we are developing for Royalty Reporting and Calculation. The purpose is to prepare operators for the new automation and to provide an understanding of the system processes in OASIS.

A number of operators attended the OASIS Discussion Forum last month. The next OASIS Discussion Forum will be held on **January 12, 2012 from 1:15 pm to 3:30 pm**. This session will be held at AMEC Place, 801-6th Avenue S.W., Room 315, Calgary, Alberta. The session will cover:

1. OASIS Project Application Process

- a. Current Functionality Feedback
- b. Planned Action

2. OASIS Royalty Reporting and Calculation

- a. Royalty Submission using New Templates
- b. ETS Form Submission Process
- c. Royalty Submission Turnaround Report
- d. XML Report Format

Operators are encouraged to attend this session but must register to ensure we can offer sufficient seating. Please register by e-mail to AnneMarie.McNab@gov.ab.ca before January 7, 2012.

To view the notes from the recent OASIS Discussion Forum, please visit the [OASIS Development Update](#) website.
