OIL SANDS INFORMATION BULLETIN 2012-03

Subject: Amended Registration for Non Project Well Royalty Information Session and OASIS Discussion Forum #3

*Please note: We are experiencing technical difficulties with the e-mail account (OSODMailbox@enr.gov.ab.ca) initially identified in [Information Bulletin 2012-02](#). To avoid further delays we request you forward registration details directly to patricia.ajas@gov.ab.ca.

Oil sands royalty project operators are invited to attend the following information sessions that will be held on **March 13, 2012** at **AMEC Place**, 801-6th Avenue S.W., Room 315, Calgary, Alberta. Interested individuals must register in advance to ensure we can offer sufficient seating.

Non Project Well Royalty Information Session

This session will focus on the Non Project Well Royalty reporting process. Discussion topics will include:

- Data file (xml) submission process
- Amendment processing
- Supporting reports such as the Submission Validation, Non Project Well Royalty Discrepancy, Transaction Details and Statement of Account.

Session Time: 10:00 am to Noon

OASIS Discussion Forum #3

This session will focus on some of the new reports that will facilitate the Project Royalty reporting process. The following specific reports will be discussed:

- Submission Turnaround
- Missing Submission
- Production Discrepancy
- Payout Balance
- Statement of Account

There will also be an opportunity to discuss ETS/OASIS matters with respect to the project application and project royalty submission processes.

Session Time: 1:15 pm to 3:30 pm

Please send an e-mail to Patricia.Ajas@gov.ab.ca by March 9, 2012, if you would like to register. Your email must include the following information:

- Company name, contact name, contact email address/phone #
- Number of attendees
- State specific session or both sessions

A confirmation email will be sent back to you upon processing your request.

Information from the sessions will be placed on the [OASIS Development Update](#) website. This site also includes information from previous sessions.
